Commissioner of Patents and Trademarks.

Dear Sir/Madam,

**Withdrawal of Request for information (Paper # 46)**

In office communication dated Jan 24, 2002, paper # 48, the Board of Appeal remanded the application to the Examiner, because the Board was uncertain whether the Examiner had responded to my request of May 24, 1999 (Paper No.46), for information on missing Examiner's Communication on.

As far as I can recall, the missing Examiner's communication should be the Examiner's Answer and it was re-sent to me on April 07, 1999 and was received by me.

And, the request for information was related to the previous Examiner's answer sent to me in 1998 but never been received. As the office has up till now make no response to this request, I believe it must have difficulty in searching for information years ago, so I decided to withdraw this request which is merely for assisting me to determine the reasons why the important Examiner's Answer is missing and is immaterial to the appeal.

I hope the Board can make a decision on the appeal ASAP.

With regards,

Applicant,

TSE, Ho Keung.
